SoundScapes™ Acoustical Canopies, Spectrum Properties, Huntersville, NC
Architect: WGM Design Inc., Charlotte NC

create quietude

SoundScapes™ Acoustical Canopies are a dramatic way to control sound in specific areas. The preformed canopies absorb sound on all sides, creating a quieting effect when installed over workstations, reception desks and in any noisy open space. And our exclusive DuraBrite™ finish provides high light reflectance and durability. To learn more about this new acoustical solution, visit us on the web or call.
