

Record Houses 2007

The editors of ARCHITECTURAL RECORD announce the 52nd annual RECORD HOUSES awards program. Entry is open to any architect registered in the U.S. or abroad. Of particular interest are projects that incorporate innovation in program, building technology, form, and materials. Projects must be built single-family dwellings. The fee is \$65 per submission; please make checks payable to ARCHITECTURAL RECORD. Submissions must also include plan(s), photographs (prints or large-format transparencies, but **no** slides please), and a brief project description, all firmly bound in a 9-by-12-inch folder—postmarked no later than October 31, 2006. Anonymity is not necessary. Please include a pre-addressed envelope with an airbill or appropriate postage for the return of your materials. Winning entries will be featured in RECORD HOUSES 2007. Other submissions will be returned or scheduled for a future issue.
