

ARCHITECTURAL
RECORD

The editors of **ARCHITECTURAL RECORD** announce the **2009 Record Houses awards program**. Entry is open to any architect registered in the U.S. or abroad. Sustainability remains a significant criterion in evaluating Record Houses. Also of particular interest are projects that incorporate innovation in program, building technology, materials, and form. Projects must be built and inhabited. They may be single-family dwellings or multifamily housing complexes, totally new construction or renovated and adaptive reuse projects.
